## WHAT TO BRING FOR AN AMAZING DAY AT KNIGHT STABLES:

We're thrilled to welcome your young riders to Knight Stables for a day filled with equestrian adventures and fun activities! To ensure they have a fantastic experience, here's a quick checklist of what they should bring:

-  **1. Lunch & Snacks (Microwave/Fridge Available):** Pack a delicious lunch for your child to refuel during their exciting day. Our facility is equipped with a fridge and a microwave to warm up their favorite meals, ensuring they stay energized for all the activities.
  -  **2. Boots (Equestrian or Rain Boots):** For a day filled with equestrian adventures, proper footwear is key to comfort and safety. Ensure your child comes prepared with sturdy and comfortable boots, either equestrian or rain boots, to make the most of their time at the stables. In addition to boots, we recommend bringing a pair of running shoes for outdoor play.
  -  **3. Protective Helmet:** Safety is our top priority at Knight Stables, especially when it comes to riding. We require all riders to wear protective headgear, such as a helmet, during horseback activities. If your child doesn't have their own helmet, no need to worry! We have a selection of helmets on-site that they can borrow for their lessons.
  -  **4. Outfits for Water Games:** Get ready for some refreshing water fun! Please provide your child with a change of clothing suitable for water games. Whether it's water balloon fights or other water-themed activities, we want them to enjoy every moment without any worries about getting wet.
-  **Any Special Requirements?** If your child has any specific needs or requirements, feel free to let us know in advance. We're here to ensure every child has a safe, enjoyable, and memorable time at Knight Stables.
